VICTOR HUGO—LES MISÉRABLES.

CARLETON'S COPYRIGHT EDITION,
THE DEMAS EXALTED
THIS MAGNIFICENT NOVEL.

An indication of the extraordinary interest exciting for this new novel, it is sufficient to state that more than 20,000 volumes were purchased at the recent Trade Sales in New York City.

The London Daily News says:

"Les Misérables is one of those rare works which have a strong personal interest in addition to their intrinsic importance."

It is not merely the work of a truly great man, but it is the great and favorite work—the fruit of years and labor.

Victor Hugo is almost the only French narrative writer of the present century who is destined to be considered as a man of power, and he has the few which hardly any other French novelist possesses, of drawing well as writing pictures.

"Another feature for which Victor Hugo's book deserves high praise is its perfect and full story which reads like a drama and like a history."

The story is admirable, and fits together with unsurpassable art, care, and dignity."
